## International Triennial of Graphic Forms „CITY PAUSE, COUNTRYSIDE PAUSE”

organizer

**Leon Wyczółkowski State School of Art in Bydgoszcz**

### **The aim of the contest**

2015 marks 70<sup>th</sup> anniversary of Leon Wyczolkowski Fine Arts School in Bydgoszcz. The school took on the name of this eminent artist in 1974. Our school, in the feeling of the regional bond with the patron, does notice the need to commemorate the 70 years anniversary of founding our school by organising a graphic contest for students aged 13-20. The theme of the Triennial of Graphic Forms is dedicated to the topic „**CITY PAUSE, COUNTRYSIDE PAUSE**”. The Triennial is a continuation of international contests organized by Fine Arts School in Bydgoszcz in recent years: in the two hundred years anniversary of Frederick Chopin's birth: 'Colours and Sounds' Frederick Chopin In memoriam (2010) and in the Year of Leon Wyczółkowski “I cannot create without nature” (2012).

This year we want the competition to be for the participants a kind of possibility to express their sensibility to everyday problems of living in contemporary cities and villages. We hope the post-competition exhibition will be an excellent occasion to promote the works of talented youth.
